TRADE LIST # 1, FALL 1957--SPRING 1958

Page 1-

We have had an exceptionally good growing year, with lots of rain; have kept ahead of weeds, have everything well cultivated, sprayed, and sheared. The quality of plants is generally superior to anything we have offered in the past. All stock will be hand dug, with digging forms, assuring solid uniform balls. All offerings are priced B&B, unless otherwise noted. 5% DISCOUNT allowed for cash in advance or AT delivery, otherwise NET 30 days. YOUR PERSONAL INSPECTION OF OUR PLANTS IS INVITED.

(150 - Figure ahead of each item represents approximate number available.)
